## “ALABAMA WAR DOGS”

**THE ALABAMA WAR DOGS MEMORIAL FOUNDATION IN COOPERATION WITH VETERANS AND SPONSORS IS PROUD TO PRESENT**

### “ALABAMA WAR DOGS: A BREED APART”

**A PRESENTATION DEDICATED TO WAR DOGS AND THEIR ALABAMA HANDLERS. “ALABAMA WAR DOGS” IS AIMED AT EDUCATING ALABAMIANS ABOUT OUR MILITARY WORKING DOGS, ESPECIALLY THOSE SENT INTO HARM’S WAY WITH AMERICAN ARMED FORCES.**

The 30-60 minute presentation is designed for all audiences ranging from 5-12 grade students, civic associations, and church groups with an interest in learning about military working dogs. To meet an audience’s specific needs the presentation can be customized in content and length. The presenters are a breed apart: Veterans, and former military dog handlers who served beside man’s best friend. Audiences will find the presentation educational, entertaining, and at times very emotional as the presenter –team takes you on a typical military working dog’s day, from training to action; sharing their personal dog-handler experiences and stories-often under fire. The audience will learn what it takes to become a combat dog-team and the lasting bond and love between dog and handler.
